

# #1 New Patients

Or continuing care patients with dental treatment to be completed!

**Preventive:**

1. Brush
2. Floss
3. Fluoride & Xylitol
4. Diet & frequency
5. Bottle & sippy cup

**Treatment needed:**

1. Fillings
2. Sealants
3. Pulpotomies (baby root canal)
4. Crowns
5. Extractions
6. Spacer / appliance

## How are we doing treatment?
